A near 100 per cent registration has been reached at Cornell School PTA's membership drive, according to Mrs. Elton Gaunt, Membership Chairman.

Working with the theme "Let's Get to the Top," Mrs. Gaunt placed in each classroom poster illustrations she designed and constructed, showing a path leading up the side of a mountain and as parents joined the organization, the students, through illustration, would climb to the mountain top.

The Berkeley-Albany Council of Churches will sponsor three community wide Thanksgiving Services, to be held at 10 a.m. Thanksgiving Day, according to Rev. Hubert N. Dukes, president, and Dr. Kenneth B. Wallace, chairman of the Thanksgiving Day Observance Committee.

The services will be held at the First Congregational Church, the Thousand Oaks Baptist Church and the Progressive Baptist Church. Invitations to civic and service groups in the community have been sent. Dr. Dukes stated that this holiday is proclaimed only in order that people everywhere may attend a place of worship and there give thanks to God for blessings received.

The Berkeley-Albany Council of Churches represents thirty-seven protestant churches and extends a cordial invitation to every citizen to attend one of these services or the church of his choice where services of Thanksgiving are being held.

The Central Berkeley Service will be held in the First Congregational Church at Dana and Durant Streets where Dr. Robert Boyd Munger, of the First Presbyterian Church will bring the message on the theme "A Free Peoples Choice." Other ministers participating in the service will be Dr. Browne Barr, pastor of First Congregational Church; Dr. C. Douglas Hayward, pastor of Trinity Methodist Church; and Dr. Malcolm E. Thanksgiving Week . . . vacation time from school . . . family gatherings . . . groaning dinner tables! Let's pause a moment in our busy lives and really say a prayer of Thanksgiving for all our blessings. We don't have to recount them, they are all about you.

Next week is a big week so this is a good time to mark your calendars.

Remember Albany had a parade? November 30 at 8 p.m. at the Veterans Memorial Building is the time and place announced by City Parade Chairman C. Eddie Johnson for the awarding of trophies and awards won by participants in the Alameda County Veterans Day Parade.

Thursday, December 1, is the date set for a big night for the Albany High Varsity football squad. It is the night of the annual banquet given for these fine young athletes by the Albany Lions Club. The team will be guests of the club for dinner at Spenger's at 7 p.m. with their parents invited to share the evening. A wonderful program is planned with an outstanding football personality as speaker, showing of movies of all home games and most important of all, the awarding of special recognition awards. There will be three awards for outstanding performance and individual awards for all members of the squad. The Albany Lions Club should be given special commendation for this project . . . and Coach Bill Sav-

age for his work with these boys throughout the season . . . for a team finishing second in their league, but most of all for helping to build men and better future citizens.

Two big events are slated for Saturday, December 3. It is the date for the third annual Music Festival and Dance, co-sponsored by Albany Post 292 of the American Legion and the YMI Chanters of El Cerrito. Time and place are 8:15 p.m. at the Veterans Memorial Building. So for an evening of good music and fun for the price of only \$1.00, donation for the welfare program, don't miss it.

Make it a double evening because December 3 is also "Jim Brown Day." This is a special event planned and sponsored by friends of an outstanding Albany citizen of 20 years, Jim Brown, who was badly burned last July 3. Jim was an active leader in all youth groups; Scouting, YMCA, Dad's Clubs, athletic events and Alteen Club, and this is the way his friends want to say "thanks Jim" and extend a helping hand. The event will be held Saturday, December 3 at Albany High from 7 p.m. until 12 midnight, with a lot of interesting activity planned.

A welcome to Vern Phelps, new owner of Vern's Signal Service at 1400 Solano Avenue. Mr. Phelps wishes to announce that he is open for business and ready to serve your automotive needs.

We are proud to salute Joe Dagna, owner of Dagna's Market, 1382 Solano Avenue.

Dedication of Albany Y.M.C.A. Held Sunday

Formal dedication of the renovated and expanded Albany Y.M.C.A. building at 921 Kains Avenue was held last Sunday with a good-sized crowd of friends and officials in attendance.

The dedicatory address was given by the Rev. Dale Nicholson of the Albany Community Methodist Church, and the ribbon-cutting ceremony was presided over by Sid Wallace, super market chain store owner, and Robert R. Porter, president of the Berkeley YMCA, of which the Albany plant is a branch.

Included in the program were two gymnasium demonstrations, one by boys and one by the girls. The events included gymnastics, wrestling, baton twirling and tumbling.

Facilities added to the enlarged plant include a new lobby and game room, three additional club rooms, a special exercise room, a new shower and locker room, and a completely equipped craft room. The latter room was built through memorial funds contributed in memory of Al Sieling, a student member of the Albany YMCA, and the late Fred Granholt a former chairman of the group's board of directors.

The rebuilding program for the branch cost approximately \$22,000. Many citizens of the community contributed funds, as did such fraternal and civic groups as the Albany Lions Club, the Soroptimist Club, the Albany Rotary Club, Berkeley Y's Men's Club, Albany Mothers Club, the Granholt Sheet Metal Company, Simmons Shade Company, and the Albany Plumbing Company. In addition to funds contributed, there were many contributions of labor and material.

Those in charge of Sunday's dedication ceremony included William G. Woolworth, chairman; Howard Bauer, Dr. Earl Jacks, the Rev. Dale Nicholson, and Elmer Coble, executive secretary of the Albany Y.M.C.A.

Architects for the remodeling projects were Schmidts and Hardman of Berkeley, while the contracting firm was J. Vila and Sons of Albany.

Said Coble in speaking of the greatly enlarged facility, "It is with great pride that we have completed this project. It means that in the future we will be better able to serve many more hundreds of the youth in our community."

FLOOD DAMAGE PROBLEM DISCUSSED

Albany's City Engineer John H. Wright handed in his resignation to the City Council at its meeting Monday night. In his letter of resignation he declared it was impossible for him to any longer stand the bitter and unwarranted criticism of his work, and interference with the operations of his department.

Among the problems which faced the city council Monday night was the recurring one of storm drainage. Reports of serious basement trouble at 1502-04 Marin were reported to the previous meeting on Nov. 14, at which time the matter was reported to the city engineer with the request that emergency measures be taken.

Studies of the problem during the last two years have indicated that permanent correction of sewage overflow into basements from an overloaded sewer must await enlargement of the flood water drain on Marin. This is an Albany-Berkeley project and has been obtained through installation of "check-valves", but these are not effective when the sewer is loaded with sewage and storm waters.

Other action on Monday's agenda included:

Application to sell Christmas trees from a vacant lot at 600 San Pablo Avenue.

Traffic and Safety Commission recommending painting of a sign in the north end of the red zone on the east side of Adams at Clay.

City Engineer recommending plans for planting of the parking strip on the westerly side of Cleveland Avenue.

Storm drain problem on Madison Street.

Planning and Zoning Commission recommending issuance of a permit for a used car lot at 1019 San Pablo Avenue. Request from Joe Cortese and James Fraccia.

Transit District Sets New Rules On Student Fares

Time restrictions on the use of school children's transit fares will be eliminated beginning Monday, allowing East Bay students under 18 to ride AC Transit buses any time on school days for 10 cents.

The special 10-cent school rate previously applied only during the hours of 6:30 a.m. to 5:30 p.m. and, for night school students, between 6:30 and 9:30 p.m.

The change will allow students to participate in after-school events and other activities without being penalized by a time deadline, according to John R. Worthington, AC Transit general manager.

The elimination of time restrictions will allow older children to ride district buses on school days for the same 10-cent rate now paid by youngsters under 13 years of age.

Worthington noted the improvement is part of the district's promise to operate transit service at the greatest possible convenience to the public and to inaugurate such changes without delay.

Upon boarding a bus, students are entitled to the lower school fare upon first showing the driver either an identification card issued by their respective schools or by displaying a student body card. Special school tickets may be purchased at AC Transit headquarters, 1106 Broadway, Oakland, for the price of 10 for \$1.00.

Scouters Will Hear "Echo" Scientist at Annual Dinner Event

Arthur Scholar, research engineer for Pacific Telephone and Telegraph Co., will be the featured speaker at the annual dinner meeting of Mt. Diablo Boy Scout Council in Richmond Memorial Auditorium, Saturday, December 3, according to Judge Frank Bray and General William F. Dean, Co-Chairman of the speaker committee.

Scholar's talk will center on the "Echo" satellite and the implications from its launching and operation.

Silver Beaver awards will be presented to six outstanding Scouters, as the highlight of the evening's program. This award, which is the highest honor possible to bestow upon an individual by a local Council, is made to men whose names are kept secret until the actual presentation. Since 1931, when the first two were awarded to Robert Gordon Sproul and William B. Herms, Mt. Diablo Council has recognized 94 men by the Silver Beaver.

Members of the annual meeting committee, who are responsible for the dinner event include Judge Norman Gregg, of Richmond, Chairman; Judge Wakefield Taylor, Martinez; General William F. Dean, Judge A. E. Bray, Elwin LeTendre and Phil Slater.

Tickets for the dinner are available at the Council Service Center, 2040 4th Street, Berkeley, TH. 3-8433.

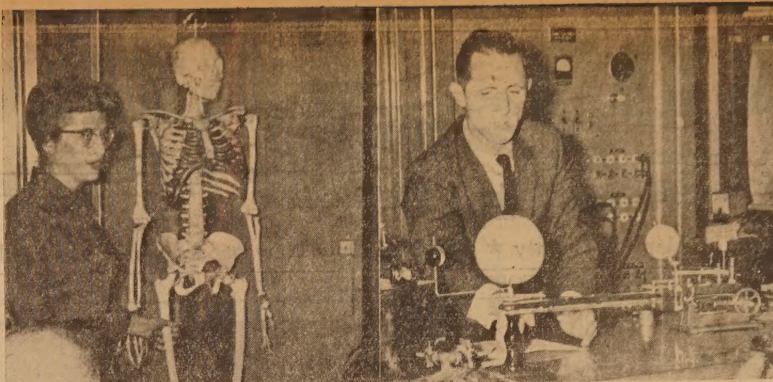

Preparations for Albany Science Fair Now Under Way

Early preparations are under way for the annual Albany Science Fair, Superintendent of Albany Schools, Kenneth M. Forry, announced today. The location of the science fair will be changed from the Albany High School Cafeteria to the Marin School Auditorium and the time for displaying exhibits to be viewed by the public will be extended to a full week. The dates March 13 through March 17 have been set for the fair, which this year will also include projects by elementary school pupils.

Mauri Gould, High School science instructor and director of the science fair, stated that many science students are now making preparations several months in advance. Many of these projects will require extensive research and an extended period of experimentation before the project can be exhibited.

The fair will be opened to the public and the winning prizes are provided by the Albany Rotary Club. Those gaining top honors in the local fair will be entered in the Bay Area Science Fair to be held at the California Academy of Science in San Francisco, April 8 through 12. Subsequently, a National Science Fair will be held May 10 through 13 in Kansas City.

CHRISTIAN SCIENCE

Spiritual alertness based on an understanding of Truth brings freedom from evil of every kind. This theme will be set forth at Christian Science church services Sunday.

Introducing the Lesson Sermon entitled "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced" will be the Golden Text from Matthew (24:4): "Take heed that no man deceive you."

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include (201:7): "Truth makes a new creature, in whom old things pass away and all things are become new. Passions, selfishness, false appetites, hatred, fear, all sensuality, yield to spirituality, and the superabundance of being is on the side of God, good."

From the Bible will be read, Isaiah 1:16, 17: "Wash you, make

you clean; put away the evil of your doings from before me; eyes; cease to do evil; Learn to do well."

Christian Science Society of Albany holds Sunday morning ser-

monies and Wednesday evening meetings at 533 San Pablo Avenue, Albany. The Sunday morning service is at 11 a.m. and the Wednesday evening meetings are held at 8 p.m. The Sunday School

convenes every Sunday at 11 a.m. All are cordially invited to attend the Sunday morning services and Wednesday evening meetings, and to send their children to the Sunday School.

3,978 MILES TO THE GALLON!

Castro Valley's Ben Rolphe still gets 12 miles to a gallon of gas with his 1906 Stevens-Duryea. But how about this: Ben's elderly Stevens gets 3,978 miles of protective cooling from a single gallon of EBMUD's pure, filtered water!

That gallon of EBMUD water costs Ben only one fortieth of a cent. That's less than it cost when Ben's Stevens was new! Which is just another way of saying that you have the lowest water rates in the Bay Area.
